

# MDM30 Introduction to Sexual Health

## Overview

The module aims to provide students with the ability to respond to the issues of sex, sexuality and sexually transmitted infection by exploring concepts of sex, sexuality and the impact of sexual behaviour on individuals, populations, services and government policy.

This can contribute toward CPD and also a 20 Masters Level Credit as part of a Postgraduate Certificate, Postgraduate Diploma or Masters award.

### Module Leader

Victoria Lehman with contributions from expert practitioners.

### Time and Place

23-27 November 2009  
University of Brighton's Falmer Campus
