

You are invited.....

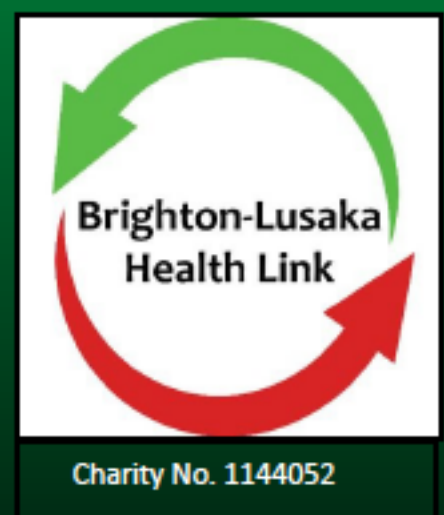

**Brighton Lusaka Health Link
is holding an
Open Evening**

On Tuesday 29th January at 18.00 to 20.00

at The Audrey Emerton Building, Eastern Road, Brighton BN2 5BE

The Brighton Lusaka Health Link is a partnership between Brighton and Sussex University Hospitals NHS Trust, the University Teaching Hospital in Lusaka, Zambia and other allied institutions including Brighton and Sussex Medical School, the Medical School in Lusaka and the Schools of Nursing and Midwifery in both cities.

The Link supports joint educational and training projects for health care workers in a range of disciplines including HIV and sexual health, paediatrics and neonatology, anaesthetics and pharmacy. We will be show-casing some of these projects at the Open Evening so if you would like to find out more or get involved with the Link please come along.

Everyone is welcome
