

# Brighton and Sussex Medical School Hub Schools

Brighton and Sussex Medical School are offering an online information & advice (IAG) programme for groups of aspiring medics. The programme includes four sessions which explore the admissions process and provide a taster of undergraduate medicine.

## Example of Outreach sessions may include:

### ***“Getting into medicine” – Years 10, 11 & 12: Approx. 1 hour***

Session covering the skills, attributes and knowledge needed to make a successful application to medicine and some pointers on how to go about developing these. An introduction to the application process, including entry requirements, admissions tests and interviews. Plenty of time for questions.

### ***“A journey through the NHS” for Years 11 & 12: Approx. 1-2 hours***

Charting a cancer patient’s journey through the NHS from initial GP visit through to palliative and post-life care. A useful session to highlight the involvement of lots of different job roles and how vital teamwork is to good patient care.

### ***“Undergraduate medicine experience – design a drug”\*\* for Year 11 & 12: Approx. 2 hours***

An experience of undergraduate level medicine, combining physiology and therapeutics. Students will be introduced to the concept of blood pressure and use their knowledge to design a new anti-hypertensive drug.

### ***“Medical School Interviews Panel & Mock MMI” for Year 13 (post application)***

For all applicants to medical school, we can run online mock interviews.

## Hub Schools: How to get involved

All four sessions will take place online throughout the academic year. The Hub schools will be responsible for liaising with other local schools in the area. If you are interested in becoming a hub school, or would like further information, please email us via [outreach@bsms.ac.uk](mailto:outreach@bsms.ac.uk).
