Governance Structure

MOHW

• Support Funding
• Management Supervision
• Cooperate business activation

KNID

• Support National dementia management service development and evaluation
• Reports

Regional Local Government

• Budget provision
• Supervision
• Coordination between MCs and KMCDs

Community Health Center

• Budget provision
• Supervision

Regional base hospital for dementia

Nursing Homes

Day&Night Care Center

Metropolitan/Provincial Dementia Centres

• Report service status

• Reports
Governance Structure

MOHW

Regional Local Government

Community Health Center

Regional base hospital for dementia

Nursing Homes

Day&Night Care Center

KNID

Metropolitan/Provincial Dementia Centre

- Training health care professionals
- Establishing local infrastructure
- Dementia care-treatment research

- Support appointments and evaluation process
- Provide service manual

- Report annual plan
- Report program accomplishments

- Funding
- Management Supervision
- Cooperating business activation

- Support dementia management service development and evaluation
- Reports

- Training health care professionals
- Program Collaboration

- Reports
Mission/Work

- Support Metropolitan council to establish and operate dementia management programs
- Study/research on the dementia management programs in metropolitan council
- Education/Training
- Awareness campaign
- Local resource survey and networking
Areal specialized programs

- Chungnam- Home environment improvement project
## Regional Dementia Council

</tbody>
</table>
Regional Dementia Council

- Challenges
  - Difficulty to recruit members
  - Lack of shared interests
  - Lack of understanding on the role of areal dementia council
Discussion

• How to invigorate regional dementia council
• Ways to support nonprofits such as Korean Association for Dementia that provide services to dementia patients and their families
• Experience of UK on managing similar groups such as Dementia Action Alliance or COMPACT implementation groups
Thank you
