## Do you want to take part in body-brain research?

We are looking for **healthy volunteers** to take part in research which seeks to understand the biological and physical mechanisms of chronic pain and fatigue. This involves some medical tests including brain scans, heart rate and blood pressure measurements, questionnaires and blood samples. This project is a collaboration between the **Brighton and Sussex University Hospitals NHS Trust & Brighton and Sussex Medical School (BSMS)**.

We are seeking healthy volunteers aged 18 or over. **You will be reimbursed and receive a copy of your brain scan.**

If you are interested please contact Dr Kristy Themelis for further information on [k.themelis@bsms.ac.uk](mailto:k.themelis@bsms.ac.uk) or +44 (0)1273 873121.
