Do you have Fibromyalgia and/or ME/Chronic
Fatigue Syndrome?

Do you want to take part in research that
seeks to understand mechanisms of chronic
pain and fatigue?

We are looking for people who have a diagnosis of **Fibromyalgia** and/ or **ME/Chronic Fatigue Syndrome** to take part in research which seeks to understand the biological and physical mechanisms of chronic pain and fatigue. This involves routine medical procedures, including brain scans, heart rate and blood pressure measurement, questionnaires and blood tests. This project is a collaboration between the **Brighton and Sussex University Hospitals NHS Trust & Brighton and Sussex Medical School (BSMS)**.

We are seeking volunteers aged 18 or over. **You will be reimbursed and receive a copy of your brain scan.**

If you are interested please contact Dr Kristy Themelis for further information on k.themelis@bsms.ac.uk or +44 (0)1273 873121.
