

BSMS ENGLISH LANGUAGE REQUIREMENTS

If you require a visa to study in the UK there are date validity requirements regulated by the UK Government for different English language qualifications. The valid time for each qualification is indicated in the middle column under the title 'Validity Policy' either with an A or a B, each letter indicates the following:

A: Valid for 2 years (eg the qualification must be dated 12 September 2020 for 13 September 2022 entry).

B: Valid for 3 years (or 5 years with an accepted year of work or study in English – eg must be dated 12 September 2019 for 13 September 2022 entry).

If you are unsure the English qualification you hold or plan to take meets these requirements, or if you just want to confirm it meets our entry requirements, please email a scanned copy of your qualification to medadmissions@bsms.ac.uk and we will confirm if your qualification is acceptable or not.
